

Intermittent Clinic – Notification/Documentation Checklist

Purpose	<p>The following information and checklist provides directions for licensed primary care clinics (PCC) community/free submitting written notification and/or documentation to request and/or notify the California Department of Public Health (CDPH) of any intermittent clinic pursuant to Health and Safety Code (HSC) section 1206(h) and Assembly Bill 2204.</p>
Types of Intermittent Clinics to Report	<p>A licensed PCC is required to notify CDPH, whether it is currently operating an intermittent clinic, the location of any intermittent clinic, and the estimated hours of operation of any intermittent clinic.</p> <p>The following must be reported.</p> <ul style="list-style-type: none">• Change intermittent clinic hours of operation• Change of intermittent clinic location• Change of parent clinic• Converting an existing primary care clinic to an intermittent clinic• New intermittent clinic request
Reporting Timeframes	<p>Statute requires a licensed PCC to report to CDPH <u>in writing, when renewing its license</u>, whether it is currently operating an intermittent clinic. However, for providers seeking Medi-Cal or Medicare enrollment, to avoid delays, do not wait until the license renewal period to notify CDPH of an intermittent clinic. This can be done before.</p>
Where to Submit Intermittent Clinic Notifications	<p>Submit documentation and forms to:</p> <p>California Department of Public Health Licensing and Certification Program Centralized Applications Branch P.O. Box 997377, MS 3207 Sacramento, CA 95899-7377</p>
Review Process	<p>Once the written notification is received and assigned to an analyst the:</p> <ul style="list-style-type: none">• Centralized Applications Branch (CAB) analyst will review the written notification to ensure all required information and/or documents are received and complete.• If information is missing or incorrect, the analyst will contact the provider by email, letter or phone to obtain the information.• Once the notification is deemed complete, the analyst will notify the applicant and appropriate district office by letter, e-mail or phone and will either, 1) forward the notification and documents to the appropriate district office if a new license is not required, or 2) if a new license is required, CAB will issue a license and forward the notification and documents to the appropriate district office.
Questions	<p>For assistance on reporting an intermittent clinic, contact the Centralized Applications Branch at CAB@cdph.ca.gov or (916) 552-8632.</p>
